## BRANSON AIRPORT ANNOUNCES GRAND OPENING AIR SHOW

### FOR IMMEDIATE RELEASE

***Oshkosh, Wisconsin (August 1, 2008)*** – Branson Airport, LLC the first privately financed and operated commercial service airport in the United States, held a Press Conference Friday, August 1, 2008 at *EAA AirVenture Oshkosh* announcing updates on the most exciting project in airports today.

Not only will the \$155 million project open for commercial service May 11, 2009, but it will host one of the top 10 air shows in the nation during their Grand Opening celebration May 8, 9 and 10, 2009.

The annual air show will feature many performers from the renowned *EAA AirVenture Oshkosh*, including civilian performers:

- Aeroshell Aerobatic Team
- Stuart Dawson in the Sea Fury
- Kyle Franklin
- Michael Goulian
- Iron Eagles
- John Mohr in the Stearman
- Steve and Susan Oliver
- Gene Soucy and Teresa Stokes
- Wingwalk
- Patty Wagstaff
- Matt Younkin
- Warbird Demonstration with pyrotechnics
- Static aircraft displays including the Sea Fury, B-17, B-25, P-51 Mustangs, Ford Tri Motor, P-47s, Corsair
- Military performances to be announced

Announcers are Danny Clisham and Rob Reider and Jeanine Leslie will be featured singing our National Anthem, Event Director is Bobbi Thompson and Air Boss is Wayne Boggs.

As the first privately-financed and operated commercial airport in the United States, Branson Airport has the potential to redefine air travel in this country. Branson Airport, LLC is introducing an innovative business model that focuses on creating a better travel experience.
